

Directors General ICT Council Communiqué – 5 July 2016

The fourth meeting of the Directors General ICT Council was held on Tuesday 5 July 2016 at Dumas House.

The Council focused their discussions on the merits of two key initiatives – the GovNext-ICT Service Broker (GSB) and the WA Government Digital Service Portal (myWA). Members agreed in principle to both initiatives, with adjustments to the delivery approach of the GSB.

The whole-of-government Data Classification Policy was also discussed. The Council supported the need for the policy, which will provide a framework for the safe sharing of information.

The Council was updated on the status of the ICT Renewal and Reform Fund (IRRF). As of July 2016, two proposals have been approved; with a further two proposals pending approval.

The Chair on behalf of the Council, thanked Mr Reece Waldock for his contribution to the group and wished him well in his future endeavours.

Next Steps

The next formal meeting of the Council is scheduled for 27 October 2016.
